

A Night of Hope and Healing

Please Join Our Community

Our community, as well as our state and nation, has recently suffered significant tragedy and loss. Let us bring our community together and support one another in healing and to offer hope in this time of struggle. Please come and light candles for those we have lost, tie messages of love to our tree of hope, and share your support and be supported by fellow community members.

Food and drink will be provided in the church hall.

Wednesday, December 19th, 2012 6-8pm

Northern Light United Church

400 W. 11th Street
