7 PM AT UAS IN THE

EGAN LIBRARY

Wolves and Hunters: An Examination of the Reasons Why Juneau's Lone Wolf Was Killed

Dr. Alexander Simon will discuss some of the factors that explain why many trophy hunters harbor intense animosity toward wolves and wolf advocates.

Attitudes Regarding Wolves Have Become More Positive

Attitudes Regarding Hunters Have Become More Negative

How have hunters responded to these changes?

What are the emerging ecological, social, and economic realities regarding wolves?

DR. ALEXANDER SIMON

Associate Professor of Sociology, Utah Valley University
