Dear Spunky Sprouts Too Infant Parents,

Due to circumstances forcing us to downsize, we will be ending our Infant program at Spunky Sprouts Too. This saddens us greatly as we love your little ones. If we had a choice to maintain this program, we would do so. Unfortunately, Aldersgate church refused to renew our lease on our Preschool facility which forces us to consolidate our programs.

The last day we will be able to provide care for your child will be Friday, October 31st. I know this will cause you great inconvenience and if there is any way we could avoid this, we would do so.

We thank you for entrusting us with your little ones. We love them and hope that you can find other arrangements as soon as possible. Please contact Ms. Melissa with any further questions.
