Spunky Sprouts Toddler Parents,

We are excited to announce that we will be moving our facility to the Church of the Nazarene in approximately 2 months. Once we receive an exact date we will let you know more details. We will have an improved facility and an enhanced program as a result. With this change we will need to have some of our Preschool children move to Spunky Sprouts Too on November 3rd in preparation for this move.

We will work hard to make these temporary changes have as little impact on your toddler as possible. Some of the changes will be readjusting the classes that they belong to and possibly changing the location of those classes in our facility. We are working hard to make these adjustments and will notify you of the specific changes as soon as possible.

If you have any further questions, please contact Ms. Melissa.

Thank you for entrusting us with your little sprouts

Adam Hendren
