Dear Assembly Members,

Please accept my Letter of Intent and Declaration of Candidacy seeking appointment to the vacated Juneau District 2 Assembly seat.

As a business owner, employee, and resident of the City and Borough of Juneau, I am greatly interested in making a difference in our community. I believe that community-based planning is vital to supporting the health of our citizens and businesses, and it is my desire to be a part of a team that works to build on the economic strengths of Southeast Alaska.

The impending challenges we will face as the result of low oil prices on State finances will require the community to meet that challenge through creative change. The loss of jobs from Walmart is just the beginning of employment reduction that will soon be exacerbated by loss of State jobs through budget cuts. The Juneau Economic Development's Innovation Summit is one such avenue that sparks new ideas for local investment, entrepreneurship, and creative ways to maintain our private sector growth.

I am a strong supporter of our education and healthcare systems, police & fire departments, local businesses, and programs which further improve quality of life for all citizens. As a District 2 representative, it is my intent to support plans which underpin a strong local economy while enhancing and protecting cultural history and the environment. Community-based planning has been effective in areas such as Auke Bay, with a combination of input from citizens, business and land owners, the State of Alaska Department of Transportation, and the University of Alaska Southeast. City and Borough of Juneau leadership wisely provides encouragement and support for such collaborative efforts, and it is my desire to be a part of that leadership.

I believe that I can be an effective member of the Assembly as I have the time and motivation necessary to commit to the obligations of the position. I have served effectively in several appointed and elected positions, and I've received awards for outstanding service to the community, including the following:

- Appointed by Mayor Bruce Botelho and served two years on the City and Borough of Juneau Fluoride Study Commission
- President for the Alaska Chapter of the American College of Sports Medicine Board of Directors
- Southeast Alaska Representative for the USA Track & Field Alaska Board of Directors
- President for Southeast Road Runners
- Aukeman Triathlon Board of Directors
- University of Alaska Southeast Outstanding Faculty of the Year
- Riverbend Elementary School Volunteer of the Year

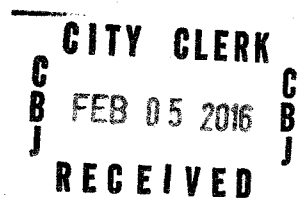

I understand and fully respect the important role of all seats on the City and Borough of Juneau Assembly. The opportunity to serve the public in this position is one I can commit to and serve with intellectual and thoughtful decision-making processes.

Thank you in advance for considering my candidacy.

Sincerely,

Jamie Bursell
