

Dear Governor Walker, Senators Murkowski and Sullivan,
and Representative Young:

Alaska must defend opportunity for all people. We ask our
elected representatives to raise your voices in defense of
American values, our constitution and our laws.

America welcomes the tired, the poor, the huddled masses
yearning to breathe free. Alaskans are brave and must not
abandon these values in fear.

Join with other elected leaders and people across the Nation
and denounce this unconstitutional religious test and illegal
immigrant ban.
