KTOO News plans to file these lawful requests on a routine basis to better inform our audience. We are a not-for-profit; this information is not being sought for commercial purposes.

Please respond to this request within 10 working days. If you need more time, please tell us why and we can discuss the matter. Also, please let us know if anything is unclear or if we can narrow the request to make it easier or cheaper for you to produce these records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.
