Dear Mr. Mattson,

On behalf of the CBJ Docks and Harbors Board, I am directing you to relocate the M/V Lumberman/AK2718AR to include all vessels, owned by you or which are under your responsible charge, anchored or moored seaward of the Aurora Harbor breakwater by October 16, 2017. My authority to direct vessels off CBJ submerged properties rests within the general powers provided by CBJ ordinance and delegated through the CBJ Assembly.

Sincerely,

Carl Uchytel, PE  
Port Director
