Dear Families,

As you know, we are having an unusually warm winter. This has made our playground very icy. To prevent serious injuries, while still encouraging play, I would like to invite students to wear ice buds or even a helmet during recess. Teachers are also going to remind students to walk carefully on the ice and make in-charge, safe, choices with play.

Thank you for supporting your child with having proper gear in many of our Alaskan elements! At anytime if you need help providing gear, you are welcome to privately email me and I can support your family.

Warm Regards,  
Clare
