Kami D. Riley	116569872	001	12/31/19	Ketchikan, AK

I, Lt. John Brown, based on information from Sgt. Gary Webb and Trp. Joey Beaudoin, attest to the following and state:

The previous affidavit did not reveal the correct phone number used to call the victim nor did it fully explain why the defendant was at the residence. This affidavit will correct those errors.

On 12/31/19 at approximately 0708 hours AST responded to 8365 N. Tongass Hwy. for a report of a house fire. Initial reports from witnesses at the scene were that no persons were in the residence and it was only used for storage by the owner, [REDACTED]. Further investigation revealed Kami Riley (residence listed in APSIN is 8365 N. Tongass Hwy) was seen near the scene of the fire when it was first noticed by [REDACTED] prior to the residence being fully engulfed in flames. [REDACTED] stated Riley was pounding on his door early this morning yelling that she was going to "burn his house down." [REDACTED] explained Riley used to live there but doesn't anymore. At 0726 hours right after dropping Kami Riley off at Safeway [REDACTED] called Dispatch stating he had picked Kami Dawn Riley up approximately 400 feet from the scene of the fire and given her a ride. [REDACTED] explained Riley stated "that guy got what he deserved" concerning the fire. [REDACTED] also stated Riley smelled of alcohol and diesel fuel. [REDACTED] also told AST that he saw flames coming from the carport when he stopped to pick up Riley. During the investigation when Sgt. Webb reviewed [REDACTED]'s phone messages from Riley it was revealed she stated she was going to burn [REDACTED]'s house down. Sgt. Webb mistakenly believed one of the two phone messages came from Trp. Beaudoin's phone, when in fact the message did not. Trp. Beaudoin had dropped Riley off at her listed residence in APSIN which is also [REDACTED] residence five hours previously.

Riley also explained she lived there and had nowhere else to go. Trp. Beaudoin tried to take her to WISH but due their policy of no alcohol consumption she could not be taken there. Riley refused to go to the warming shelter. Trp. Beaudoin had called [REDACTED] but [REDACTED] did not answer the phone and didn't come to the door, even though Yeisley later explained to troopers he believed a trooper was outside his house with Riley. [REDACTED] also refused to come to the door and speak with Riley. Riley has been living at the residence off and on for the past five years. Riley reported that [REDACTED] was an old man and that she will just sleep inside the Ford Pick-up truck in front of the residence until [REDACTED] woke up and let her into the residence or she would catch the bus. Riley, at the time of being dropped off, was not yelling about burning [REDACTED] house down. Riley was dressed for the weather and had shelter.

VRA CERTIFICATION. I certify that this document and its attachments do not contain (1) the name of a victim of a sexual offense listed in AS 12.61.140 or (2) a residence or business address or telephone number of a victim of or witness to any crime unless it is an address used to identify the place of the crime or it is an address or telephone number in a transcript of a court proceeding and disclosure of the information was ordered by the court.
