[DELIVERED ELECTRONICALLY]

Dear Governor Dunleavy,

The Legislative Budget and Audit Committee (LBAC) is in receipt of the revised program – legislative (RPL) requests dated April 21, 2020, for the distribution of federal CARES Act funds. The RPLs are currently being reviewed by the Legislative Finance Division and the Legislative Legal Division.

As chair of the committee, I appreciate the need to expedite the distribution of funds and I assure you we will do so quickly, and in a manner consistent with our legal obligations.

Thank you for your continued work to address the needs of Alaska during these unprecedented and trying times.

Best regards,
