

Southeast Alaska Master Gardener “Hybrid” Class 2022

Teaching and connecting Southeast Alaska's People, Places, and Projects to grow and flourish within communities and between communities.

- Open to all experienced Southeast Alaska growers desiring to learn more and share with others through a variety of service opportunities.
- “Hybrid” = Online video conference and face-to-face* delivery/activities (*see registration link below for details)
- All topics related to designing, developing and maintaining gardens and other growing environments in SE AK to be covered

Locations: Online and otherwise to be determined, based on local conditions and resource availability

Dates: Monday evenings, 6-8:30, Feb. 21 - May 9, plus two Saturdays (Dates TBD)

Registration Fee: \$300 includes \$150 which will be refunded when 40 hours of volunteer service are completed **within a year**. Scholarships may be available upon request. The service goal is to share your gardening skills and knowledge through educational community projects. Fee includes an electronic version of the Alaska Master Gardener Manual.

Registration: Go to <https://bit.ly/3gsKALy>. For more information contact Darren at darren.snyder@alaska.edu.

UAF is an AA/EO employer and educational institution.
