During the past 12 months, the station employment unit engaged in the following recruitment initiatives.

1. *Establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment:*

In the past 12 months, we continued to provide a paid internship program. We placed a Filipino community member in a 6-month reporting fellowship position.

2. *Establishment of training programs designed to enable station personnel to acquire skills that could qualify them for higher level positions*

We provided weekly Lingít language classes to train our entire staff to speak the local Alaska Native language on air and to better understand Lingít Culture.

3. *Listing each upper-level opening in a job bank or newsletter of a media trade group with a broad-based membership, including substantial participation of women and minorities:*

All upper-level openings during the reporting period were posted on the Corporation of Public Broadcasting Jobline website.

4. *Providing training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.*

We provided anti-harassment and bias training for all staff members between May and June 2022, and additionally we have been providing the training for all new hires between July through September 2022. We have 100% training completion from May 2, 2022 through September 13, 2022.
