Statement of Grounds for Recall of Hoonah Mayor Gerald Byers

Gerald Byers, while serving as the Mayor for the City of Hoonah:

- 1. Called one of his employees, (E.S.) a racial slur ("Nigger").
- 2. In around February 2021, presided at a council meeting, harassed two native elders (Mary E. and Jim E.), followed the elders outside Hoonah City Hall where the meeting was being held, cursed and berated them.

Mayor Gerald Byers' Statement in Response to Grounds for Recall

Thank you for electing me for 2 terms. I would like to continue serving you as your Mayor. I've seen Hoonah through a lawsuit, financial issues, Covid and many other issues in the last two terms. Hoonah has done well for itself. I've always done what's best for Hoonah. There have been some not happy with what the City has done. This recall isn't about the charges anyway. It's about personal and special interest groups trying to run and divide our community.

"Let him who is without sin cast the first stone." John 8:7 Please vote NO on this recall.
