Dear Mayor Cameron,

During this time of political uncertainty, I wanted to reach out to reaffirm our commitment to the City of Whitehorse as our sister city.

The City and Borough of Juneau has enjoyed sister city status with Whitehorse for almost 40 years, with the Resolution designating the relationship being signed on October 2, 1989. Our two capitals of the far northwest region of the North American Continent had, and still have, many features and interests in common, including a government employment base, the tourism industry, a plethora of natural wonders, and local branches of a university.

We believe this relationship fosters excellent opportunities and benefits both cities through sharing experiences, discussing economic opportunities, and celebrating successes.

It is my hope that the bond of friendship between Whitehorse and the City and Borough of Juneau will continue, unaffected by the political climate.

I hope to come to Whitehorse this year to do a cider run, and if you're ever in Juneau, please contact me.

Sincerely,

Mayor Beth Weldon
