Re: Request for Ratification of PSEA Tentative Agreement

The City and Borough of Juneau (CBJ) and the Public Safety Employees Association (PSEA) reached tentative agreement on a three-year collective bargaining agreement on February 11, 2026. The contract will take effect on July 1, 2025 and conclude on June 30, 2028; however, changes to the collective bargaining agreement shall be effective on February 9, 2026.

The CBJ was informed by PSEA on February 20, 2026 that PSEA membership has ratified this tentative agreement.

The tentative agreement contains substantive changes related to wages and health insurance. In addition, there were some operational changes which do not have a monetary impact or the monetary impacts are minor and can be managed within the budget. I have attached a summary sheet of changes for your review.

Economic Changes:

Wages and Lump Sum Payments

FY26: The parties agreed to a 5% general increase to the pay schedule for Sworn Officers and a 3% general increase to the pay schedule for other bargaining unit members, effective on February 9, 2026. Additionally, the parties agreed to a lump sum payment of \$2750 per full time member employed on February 9, 2026. Finally, the parties agreed to a lump sum payment of \$2000 per full time member employed on February 9, 2026 in lieu of retroactive FY26 wage increases.

FY27: The parties agreed to a 3% general increase to the pay schedule and a lump sum payment of \$2000 per full time member employed on July 1, 2026.

FY28: The parties agreed to a 5% general increase to the pay schedule in FY28.

Health Insurance

FY26: The parties agreed to no increase to the employer contribution for health insurance in FY26.

FY27: The parties agreed to increase the employer contribution up to approximately 5%, or up to \$1808 per full time eligible employee, per month.

FY28: The parties agreed to increase the employer contribution up to approximately 5%, or up to \$1898 per full time eligible employee, per month.

Below is a summary of estimated costs of the changes related to wages, lump sum payments and health insurance:

PSEA Estimated Costs				
% Wage Increases	FY26	FY27	FY28	3-Yr Total
Sworn officers	5%	3.0%	5.0%	13%
All other Members	3%	3.0%	5.0%	11%
Annual Cost Increases	FY26	FY27	FY28	3-Yr Cumulative Total
Wages	\$186,938	\$829,215	\$1,418,336	\$2,434,490
Lump Sum payments	\$266,000	\$156,000	\$0	\$422,000
Health Insurance	\$0	\$83,977	\$172,153	\$256,130
Total	\$452,938	\$1,069,192	\$1,506,512	\$3,122,620

Operational Changes:

There were operational changes that involved incorporating language from previously agreed upon letters of agreement and operational changes outlined in the attachment.

Conclusion:

Overall contract negotiations were constructive, but prolonged. Table talks proceeded with both parties discussing issues and resolving problems when possible. Eventually, in July 2025, a federal mediator spent over a day with the parties attempting to resolve open issues, but the parties were not able to come to agreement as a result of mediation. In December 2025, an arbitrator conducted a two-day fact-finding hearing. This tentative agreement was reached by both parties voluntarily after the parties received the recommendations from the Fact Finder. Police Chief Derek Bos, Deputy Police Chief Krag Campbell, Administrative Officer II Jessica Paskowski and Human Resources Manager Cindy Carte participated on the bargaining team.

Request for Action:

The overall financial package is in line with previous briefings to the Assembly. We respectfully request that the Assembly approve the terms of this contract.

- B)** Members shall be exempt from the minimum use requirement to the extent that such use would cause a Member's personal leave balance to be less than two hundred and forty (240) hours for Members assigned to a forty (40)-hour per week schedule. Members assigned to a work schedule of less than thirty-seven and one-half (37.5)

hours per week are exempt from the minimum use requirement in the amount equal to their normally assigned work week hours multiplied by 4.2.

For Members working less than forty (40) hours per week, the one hundred sixty-eight (168) hour balance will be prorated accordingly.

- F) Leave donated to another Employee shall be given a cash value by multiplying the number of hours donated by the regular hourly pay rate of the donor. This cash value shall then be divided by the regular hourly rate of the recipient and the recipient's medical leave bank shall be credited with that number of hours, which is the result of the calculations.

6.8 – Scheduled Use of Personal Leave

It is a mutual responsibility of the Member and the supervisor to schedule leave so that a Member has the opportunity to take the required minimum amount of leave to be used.

A Member may take personal leave at any time that business permits with the prior approval of the Police Chief or the Police Chief's designee. If business permits, management shall endeavor to allow at least one person per shift to be on leave at any given time.

- E)** Leave placed in the Association Leave Bank shall be given a cash value by multiplying the number of hours deducted from the Member's leave balance by the regular hourly pay rate of the donor. This cash value shall then be divided by the regular hourly rate of the recipient to establish its value in hours as business leave.

A supervisor may grant parent/teacher conference leave only in advance upon presentation by the Bargaining unit Member of written verification of the date and time of the conference and a written finding by the supervisor that the leave can be accommodated without imposing added cost or inefficiencies in the workplace. Supervisors shall make every reasonable effort to accommodate parent-teacher conference leave. Parent/Teacher Conference Leave shall only be granted to make a Member whole for the workweek.

6.23 – Injury Leave

A) The Association and Employer jointly agree that the intent of this provision is to recognize the unique nature of police work and is meant to protect and support Public

Safety employees in the event of a line-of-duty injury during a given year. It is further understood by both parties that all other work-related injuries which qualify a Member for Worker's Compensation will not be covered under this provision and will be handled through the City's standard Workers' Compensation process.

- B)** Sworn Officers, Civilian Investigators and Community Service Officers, or other Members when working in a mobile command center or assigned to ride along for training purposes in a police vehicle, may qualify for injury leave in the event of a serious injury received in the line-of-duty. Injury leave will be granted for up to twelve (12) consecutive months from the date of initial injury for a regular full-time department employee who has suffered a serious injury in the line-of-duty, and which qualifies them for Workers' Compensation. For purposes of this provision "line-of-duty injury" means a duty-related injury that meets the requirements of the Alaska Workers' Compensation Act and is also:

- 1.) An injury received due to the actions of another person; or
- 2.) An injury received while responding to or working at a reported emergency; or

A Member will only accrue leave while he or she is in work status. The Employer will continue to provide health insurance premium contributions on behalf of the Member while the Member is on injury leave. Injury leave may be granted for a maximum period of 12 consecutive months. Family Medical leave entitlement shall run concurrently with Injury Leave.
- E)** During periods of injury leave, Members may be assigned work at the discretion of the department unless such work assignments adversely affect the nature of the injury. If there is a disagreement between the City and the Member as to whether the Member is able to perform the work assigned, such disputes shall be submitted to and resolved by a health care professional selected by the Employer. The decision of this health care professional as to whether the Member is able to perform the work assigned will be determinative, so long as the decision is not arbitrary, capricious, or made in bad faith. If a Member disagrees with a determination of the health care professional that the Member is capable of performing the work assigned, the Member may elect to decline the assignment, which will terminate the Member's entitlement to paid injury leave under this provision. If the Member is unable to return to full duty within twelve months, or if the employee retires, effectively relocates from the community, takes other employment, or otherwise takes an action that would effectively remove the Member's ability to return to service, the Employer's obligation under this provision shall terminate.

Leave will only be granted to make a Sworn Member whole for the shift and shall not count toward the overtime threshold nor be paid at the overtime rate. Sufficient rest is generally defined as 8 hours away from work.

- I) If unusual circumstances cause a Member to be placed on paid administrative leave and the member would subsequently not be paid for as many hours as they were scheduled, the Chief may approve the member being paid at the regular rate of pay for the remaining hours in the pay period that the Member would have worked had they not been placed on administrative leave.

- B)** The department will make every effort to complete an investigation into alleged employee misconduct, referred to as an Administrative Investigation (AI), within 90 days of the date of case initiation. Should an AI take longer than 90 days, the Employee under investigation shall be notified in writing, every 30 days, of the reasons for the delay and provided with an estimated time of completion.

- D)** The following rights shall be preserved in the Employee Conduct policy:

 - 1)** Members are entitled to a prompt notice of investigations into complaints concerning them unless doing so would interfere with a criminal investigation. The notice shall contain a synopsis of the complaint; which shall identify the complainant unless there is reasonable cause not to, and department employees who are involved in conducting the investigation. The notice shall provide sufficient detail for the Member to understand the focus of the investigation.
 - 2)** If, during the course of the investigation, additional areas of potential misconduct arise that expand the scope of the initial investigation, the Member shall be notified in writing of the new or revised allegations unless doing so would interfere with a criminal investigation. The Chief, at his or her discretion, may include the additional allegations in the current AI, or open a new AI. If the Association is involved in representing the Member under investigation, the Chief or designee will notify the Association of the expanded scope of allegations.
 - 3)** Members are entitled to be represented by the Association at interviews and pre-disciplinary conferences when a Member reasonably believes that answering questions could result in discipline. Once a date has been set for an interview and the Member has been notified, notice of the allegations will be emailed to the Business Agent of the Association. Except in exigent circumstances, the Member will have up to three (3) business days to arrange Association representation. If a Member authorization of payroll deduction form has not been provided to the Employer, then the Employer will inform the Association of the investigation, but will only provide notice of allegations to the Association upon receipt of the Member authorization form.
 - 4)** Questions asked during the interview of the Member subject to the AI shall be confined to those matters related to the notice provided by the investigating officer.

 - 6)** AI files are confidential records maintained by the Chief of Police.
 - 7)** Members are presumed innocent of misconduct allegations until evidence establishes proof of guilt.

- 8) No materials or reports involving an allegation shall be entered into a Member's CBJ Personnel file when the AI has exonerated the Member or the allegations have been determined to be unfounded or not sustained.
- 9) The Member and/or the Association (with the Member's written approval) may review a completed AI file by submitting a written request to the Chief of Police.
- 10) Should the investigation result in a recommendation of discipline, the Member and/or the Association (with the Member's written approval) shall be provided with the entire contents of the completed AI file prior to a pre-disciplinary conference or final disposition interview with the Chief of Police or his or her designee;

The Member laid off through the displacement process shall receive notice in advance of the potential lay-off and at least ten (10)

business days written notice in advance of the effective date of the actual lay-off.

- 2) At the time of layoff, the Member will receive payment for all personal leave.

Notice to the laid off Member shall include the estimated duration of the temporary or seasonal position.
- 4) Upon layoff, the laid off Member shall be placed on the layoff list for the job classification series from which the Member was laid off, and for the bargaining unit. Recall rights exist for two (2) years from the effective date of the layoff.
